

# ANNEXE A Rev 00

## List of delivery documents to be supplied with products or services

<div> <div>Quality level</div> <div>Product family</div> </div>	Q1 Supplies with an impact on safety	Q2 Specific quality supplies Thermocoax	Q3 Supplier standard quality
Tube	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report + Supply a sample of 50 mm / batch Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Bar, disc, plate	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Wire	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Thermoelectric wire	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report + FEM curves in accordance with IEC584-1 or ASTM E230 Specific order requirements	N/A
Powder	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Exigences Q3 + Certificat d'analyse* Specific order requirements	N/A
Insulator	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Exigences Q3 + Certificat d'analyse* + PV dimensionnel Specific order requirements	N/A
Sheet metal	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Extension Cable (EC/CT)	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Extension Cable TC	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
heat shrink	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Hardware	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Catalogue Product	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Part on drawing	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Tool on drawing	Q2 + additional contract requirements	Q3 requirements + Certificate 3.1 follow EN10204* + Dimensional report	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Catalogue tool	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order
Service delivery	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	End of activity or end of assignment report	End of activity or end of assignment report
Subcontracting	Q2 + Declaration of conformity to EN 10204 2.1 + additional contract requirements	Q3 requirements + Specific order requirements	Declaration of conformity to ISO/IEC 17050 or equivalent on order

\* The material certificate must be traced on the Declaration of conformity.
